

## **PHOTO & DIGITAL MEDIA INSTRUCTOR**

Armory Art Center is seeking innovative teaching artists working in digital media and photography including: graphic design, digital animation and illustration, videography, Photoshop and Lightroom editing, print applications, and lighting techniques. Strong fine art or commercial foundations in photography or digital media, as well as professional and teaching experience is required. Interested instructors are invited to submit a resume and a portfolio of samples of their work. Currently seeking teachings artists for both adult and youth classes and workshops.

### **Job Responsibilities**

- Develop and submit lesson plans for each proposed workshop or course.
- Create engaging, age-appropriate curriculum with clear learning objectives.
- Clearly demonstrate art-making techniques, processes, and proper use of materials and equipment.
- Maintain a safe, supportive, inclusive, and engaging classroom environment.
- Effectively manage student behavior and classroom conflicts.
- Submit supply requests in advance and help maintain organized classroom and supply areas.
- Maintain professional and reliable communication with Armory Art Center staff.
- Arrive prepared and on time for all scheduled classes and programs.
- Follow all Armory Art Center policies and procedures related to youth safety, classroom management, and studio use.

### **Qualifications**

- Experience teaching art to children and/or teens in a classroom, camp, museum, community arts, or similar setting.
- Demonstrated proficiency in one or more visual art disciplines.
- Strong classroom management and communication skills.
- Dependable, organized, collaborative, and comfortable working as part of an arts education team.
- Formal art or education training is preferred but not required when equivalent professional experience can be demonstrated.

### **To Apply**

Interested applicants should email [educationdirector@armoryart.org](mailto:educationdirector@armoryart.org) :

- A current resume
- A portfolio of personal artwork
- Examples of student artwork
- Sample lesson plans

We are especially interested in teaching artists who are excited about helping young people develop technical skills, creative confidence, curiosity, and their own artistic voice.
